Memorial Service (contact us for pricing)

We can tailor a memorial to remember your person in a location that is meaningful for them and you. Memorials offer flexibility and time to arrange a farewell without rushing.

This may be at a local club, pub, beach, garden, your backyard or alternative venue. We can arrange memorial cards, visual tributes, living tributes, livestreaming and flowers to make the memorial personalised, heartfelt and memorable.

We offer assistance with composing tributes and eulogies.
